What does your family story mean to you?

What's your main motivation for having Siti paint your gift/memento?

Which painting made you decide to hire Siti to create a custom painting for you? Why?

Why would you make a great fit to work with Siti?

If you were to have a discussion with Siti 12 months from now, and you were looking back over the past year, what would have had to happen in your life, both personally and professionally, for you to feel happy with your painting?

Would you refer Siti to your circle of influence?

Do you have a deadline? If so, when?
